Re: **CAMP APPLICATION DEADLINE IS FRIDAY, FEB. 17, 2023**

If your child is interested in attending overnight camp, but you don't have the funds, you may apply for a campership providing that:

- Your child goes to school and/or lives in Washtenaw County.
- Your child will enter Grade 5 or above in the fall of 2023 and will not be older than 16 at camp..

A Campership application is not valid until the following forms are submitted, on paper or online at WashtenawCampPlacement.org,

- Part A, Parent/Guardian Form
 1. Complete Part A and return it to the WCP office at the address below.
 2. Before returning the form to WCP, please be certain that it is complete.
- Part B, Referral Form
 1. Give this form to a teacher, counselor or social worker who is currently working with your child.
 2. Ask the person who is completing the Confidential Referral Form to return it directly to WCP at the address below.

Washtenaw Camp Placement (WCP) is a sixty-one year old non-profit that provides camperships to eligible youth. A campership is defined as one or two weeks of expense-paid resident summer camp, plus services that may include clothing, gear, and transportation to and from camp.

WCP partners with YMCA Camps Mystic Lake, Storer, Hayo-Went-Ha for Boys, Hayo-Went-Ha Arbutus for Girls, Nissokone and Al-Gon-Quian. The camp season is from mid-June through August. At camp your child will go swimming, boating and hiking, sing songs around a campfire and make new friends – all with the support of trained and experienced staff. Camp is a lot of fun! In addition, campers learn good habits such as being responsible for their own belongings and being a responsible team member or leader.

Applications will still be accepted after the deadline, but your child may be placed on a waiting list. We can't promise to place every one who applies, but we expect to award about 160 camperships.

If your child does not receive a campership in the first round, there is still a possibility of a place at camp becoming available later due to a cancellation. It is therefore very important that you notify us promptly if there is any change in your address, phone number or other contact information.
